MEET HAHS VOLUNTEER KARI UNDERDAHL

When you contact HAHS for information, to become a member, inquire about a pet available for adoption, or make a donation, your call or e-mail will be answered by Kari Underdahl. Kari joined HAHS a few years ago and volunteered to be the first line of support to those who contact HAHS by phone or e-mail.

Kari and her family live near Zumbro Falls on a farm with dog Rudy, and cats Tucker and Jack. They also have horses and

barn cats.

After going to school for horse training, Kari trained horses. She returned to school and landed a job as a surgical technician in the cardiovascular department at Rochester's Mayo. She also spent years homeschooling her children. Currently she works at Anytime Fitness in Lake City as a personal trainer as well as the Zumbro Falls Veterinary Clinic as a veterinarian technician.

MEETINGS
ARE HELD
THE THIRD
MONDAY of
EACH MONTH
6:30 PM to 8 PM
AT THE LAKE
CITY LIBRARY

WE HOPE TO
SEE YOU THERE

In her spare time, Kari loves riding her cycle. Shown here with Kari is her husband of 30 years, Brad.

Jack is Kari's newest rescue. He was found with severe injuries which required amputation of his leg. Jack is doing well and getting lots of attention from Kari.

When not spending time with her family, which includes two grandsons Sawyer and Kaleb, working, or volunteering with HAHS, Kari enjoys kayaking, horseback riding, snowshoeing, reading and gardening. Her carpentry skills are also being put to use as she explains, "My 'newest' project is a 1930's barn loom that I am rehabbing so I can learn to weave." Although her life certainly has been filled with interesting occupations and a variety of hobbies, her love and care for animals has always been one of her important priorities.

"Thanks Kari, for all you do for HAHS!"

**HAPPY ENDINGS...WE LOVE GETTING PHOTOS
SO PLEASE KEEP THEM COMING.**

Mack was taken in and cared for by a HAHS foster home after being found by police and placed in the dog pound. Mack is shown here with his new owners.

Patty Harris shares a photo of brothers Fred and George and their sister Felicity. The three were all adopted from HAHS on a snowy February day. Patty claims, "Three cats are not too many to adopt!"

Charlie (cat) was adopted from HAHS by the Wells family in Minneapolis. Shown here with Charlie is Luna (adopted from another humane society), Charlie's BFF.

Saige (on left) was abandoned and taken in by HAHS. Her new forever family sent us this photo to show how she has bonded with her new "sister". Thank you for sending us this photo.

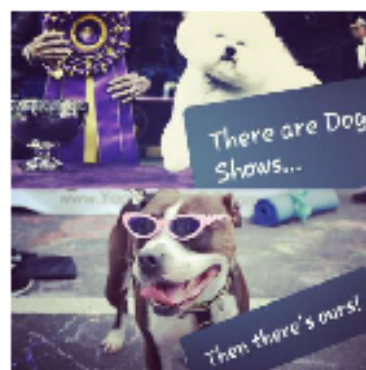

Hiawatha Animal Humane Society came into existence almost a half century ago. The effect of each year's work has built upon the next and has added up to something quite profound. We see new members joining and we continue to grow. We remain busy doing what needs to be done to help animals in need. We are grateful for the support from people who help with fundraisers, those who adopt, the fosters who open their homes and care for animals until new homes are found and for all the donations of food/supplies/money. Thank you for your time, talents, ideas and resources.

"TOGETHER WE CAN DO MORE."

Join us at Bark Dog Park on
SATURDAY, MAY 18th
